

Faith Story Assignment for March 18, 2018 Confirmation Class

Please ask someone to tell you their faith story. Make notes and be able to report what you heard for our next confirmation class on March 18. The questions I recommend that you ask and be able to report on are:

- a. Who first introduced you to Jesus?
- b. Did you attend a faith community growing up? Please tell me about your experience.
- c. Who taught you about Jesus? How did they teach you? What did you learn?
- d. When did you know that you believed in God? Tell me about that experience.
- e. How were you taught to pray?
- f. Were you baptized? If so, how old were you?
- g. What does the cross and the empty tomb mean to you?
- h. How has your faith changed your life?
- i. Has God helped you through hard times? If so, can you share about this experience?
- j. What would you like to share with me about what it is to be a person of faith?
